

Celebrating 150 years

2/2/21

Dear Cooerwull Community,

I would like to take this opportunity to welcome students, staff and community back for another year and in particular a warm welcome to the new families. Hopefully, everyone had the opportunity to enjoy the break and are looking forward to a great year of learning, building relationships and enjoying school life.

Cooerwull Public School's Mission Statement

"At Cooerwull Public School our core values are to be safe, respectful, responsible learners. Our school community is built on honesty and acceptance promoting manners, kindness and trust. Our mission is to develop students' integrity, resilience and cooperation in a positive learning environment."

School Community Charter

The NSW Department of Education has introduced The School Community Charter, which outlines the responsibilities of parents, carers, educators and school staff in NSW public schools to ensure our learning environments are collaborative, supportive and cohesive. It describes expectations regarding communicating with our school, that respectful communication is a right and that unacceptable behaviour is not welcome at any time. Please find the charter attached.

COVID-19 Rules (Update)

Throughout the term, the school will continue to provide regular updates regarding COVID-19. Please note that all parents and carers will need to check in using a QR Code. Each school has been allocated a QR code and the office staff will assist if needed. Other sign in procedures will also remain in place as required by the NSW Department of Education.
